Adam, Aisling is going to send Grainne a batch of 40 or more cases on the CBD shops that Grainne is going to do the replies to as a petition. If any slip through and get assigned to our team over the next day or so will you just reassign them to Grainne please? No need for them to go on the tracker.

Adam D. Murray 15:47:

No problem

CBD - correspondence from Minister O'Brien. I changed the GSOC line to say "owners of shops selling CBD products" as a specific shop name is not mentioned

Thanks Grainne and we will stop assigning cases to you as soon as these cases come in so you can work on these uninterrupted.

Many thanks again,

Sinead.

Hi Andrew and Sinéad,

Just to let you know that Aisling's team are going to assign approximately 40 CBD cases to me over the next day or so. This will skew the team's eCorr case numbers but as they should be straightforward, I am hoping to have them all cleared asap.

Kind regards,
Gráinne
